FUNDRAISING BREAKFAST ♥ 2019

MHNW Annual Fundraising Breakfast

Fri. Oct. 4, 2019 | 8:00 – 9:15 am

The Westin Seattle

As the cost of housing remains high across Washington state, low-income families' wages have not kept pace. This persistent reality creates an even bigger challenge for families to access equitable opportunities. Mercy Housing Northwest's approach is to create a different reality - we build affordable housing in high-opportunity areas, so that families can have higher paying jobs, competitive schools and onsite resident services right in the place they call home.

In the last two years, MHNW has launched developments that will bring 488 new and affordable homes to Seattle (i.e. Magnuson Park, Mount Baker and Roosevelt). We have been hard at work securing community partnerships, as we prepare for the opening of Mercy Magnuson Place in the Spring of 2019. This development will be a part of a vibrant campus that will reduce barriers to childcare, healthcare and education.

Our work is improving lives and transforming neighborhoods. Will YOU join us in this important work? Your role as a key partner on our projects has been so critical in helping us carry out our mission of creating **stable, vibrant and healthy** communities.

This year, we invite your company to be a sponsor of the 2019 *Power of Home* Breakfast. As an event sponsor, your company will have the opportunity to engage over 600 live guests at the breakfast -- to include industry and business leaders, elected officials and community supporters. We count on the support of sponsors like you to help us continue this work. We ask you to return the enclosed sponsor commitment form by July 30, 2019 so that we can ensure proper acknowledgement of your company on our event website and printed marketing collateral.

BY THE NUMBERS:

- Each year, your sponsorship contributions help underwrite this powerful event, so that all proceeds directly benefit MHNW resident services programming throughout Washington State.
- Last year, your support allowed us to serve 2,687 residents with 114,674 services, including after-school programming for kids, ESL classes for parents, health & wellness programs for seniors, and onsite activities/resources to help families thrive.

- Your company will benefit from an increased online presence through a dedicated event website, with nearly 2,000 page visits.
- Your company will benefit from increased visibility amongst over 600 event attendees, with prominent on-screen projection and display in our printed program.
