

'New Backpack, Fresh Start!'

School Supplies Needed!

All children deserve the opportunity to succeed in school. Many families living at Mercy Housing do not have the resources to meet these needs. As back-to-school time approaches, parents face the challenge of stretching their budget for school supplies.

With your help, we can ensure that kids have a fresh start to the 2020-2021 school year!

Will you help Mercy Housing's youth residents?
